Council Code of Conduct

Policy Statement

The purpose and intent of the Council Code of Conduct is to establish standards of conduct for Members of Council, Local Boards and Committee Members in the individual conduct of their official duties.

The Code represents general standards. The Code does not replace Council Member's roles, responsibilities, actions and behaviours required by various statutes, by-laws and policies.

Statements of Principle

A written Code of Conduct helps to ensure that the Members of Council share a common basis of acceptable conduct. These standards are designed to supplement the legislative parameters within which the Members must operate. These standards are intended to enhance public confidence that the Town of St. Stephen's elected and appointed officials operate from a basis of integrity, justice and courtesy.
