

As we enter the **Orange Phase** of recovery, the following measures are in effect.

NOW ALLOWED...

...if physical distancing and required Public Health and WorkSafeNB measures are in place:

ELECTIVE SURGERIES AND OTHER NON-EMERGENCY HEALTH SERVICES: Non-emergency surgeries, diagnostic procedures and allied-health services will resume progressively. Regulated health professionals can provide in-person non-emergency health services.

GATHERINGS WITH PHYSICAL DISTANCING OF 10 OR FEWER: People can gather outdoors with individuals outside their two-household bubble as long as there are 10 or fewer people who are physical distancing. Indoor public gatherings of 10 or fewer are allowed for small in-person celebrations such as religious services, weddings and funerals.

POST-SECONDARY INSTITUTIONS: Campuses may now open all in-person programs. However, virtual programs are still encouraged.

CULTURAL VENUES: Some cultural venues such as museums, galleries and libraries may also open.

OFFICES: All other offices, client-facing or non-client facing, not deemed essential during the initial phase can now open.

RESTAURANTS AND RETAIL BUSINESSES: Restaurants, malls, retail businesses and other similar services may open.

CAMPGROUNDS & OUTDOOR RECREATIONAL ACTIVITIES: If physical distancing measures and gatherings of 10 or fewer can be respected, people can now enjoy campgrounds, outdoor recreational businesses/operations (i.e. zoos, outfitters, horse riding, zipline courses, etc.)

DAYCARE, CHILDCARE AND CHILD DAY CAMPS: These facilities may open while adhering to public health measures. The opening of these settings will be done in a progressive manner in collaboration with the Department of Education and Early Childhood Development and operators across the province. The reopening of early learning and childcare centres regulated by the department is permitted as of May 19th, and day camps as of May 8th.

ATV TRAILS: Trails may open across the province.

Virtual options should continue to be used whenever possible.

AS WE MOVE FORWARD ON THE PATH TO RECOVERY IT'S IMPORTANT TO CONTINUE TO ENSURE:

PHYSICAL DISTANCING

COUGHING/SNEEZING
into your elbow

FREQUENT HANDWASHING

TWO HOUSEHOLD BUBBLES

CLEANING SURFACES PROPERLY

WEARING A COMMUNITY FACE MASK IS REQUIRED in public when physical distancing can't be maintained
