

49th International Homecoming Festival "Paint a Chair for Fireworks" - Auction (Canadian Side)

We are gearing up for the 49th International Homecoming Festival and as we cannot have a parade this year logistically, we are happy to invite you, our local businesses, organizations, and groups to take part in our "Paint a Chair for Fireworks" auction. This has always been a popular event on the American side, and we look forward to seeing the designs our Canadian artists come up with.

How it works:

Businesses/organizations purchase an adirondack chair, paint it to best represent themselves (or the festival theme TBA), and display it outside your businesses during Festival week (starting August 4th). On August 6th, deliver your chair to the kiosk on the waterfront by 4pm and the chairs will then be auctioned off at the waterfront before the fireworks start. Proceeds from the auction will be split between the International Homecoming Festival for fireworks, and Ukraine Humanitarian Relief and Relocation Efforts. We will also be sponsoring a prize of \$200 (and bragging rights) for the chair voted the most artistic by our committee!

If you would like to "Paint a Chair for Fireworks", please complete the application below and return by July 13th to :
Town of St. Stephen, 22 Budd Ave., attention Patty Anderson.
