## Notice of Closure of Town Hall to Public March 17, 2020

---

**EFFECTIVE IMMEDIATELY**, as a result of the recommendations of the Chief Medical Officer for the Province of New Brunswick, the St. Stephen Town Hall is closed to the public out of an abundance of caution for the safety of our patrons and staff. Municipal operations will continue, and citizens requiring assistance may seek services by contacting our staff via phone (466-7700) or email.

The Town of St. Stephen will continue to closely monitor the COVID-19 situation, and the recommendations of health officials at the provincial, national, and international level. Once a determination has been made that a return to normal operations will not pose a risk to our staff or patrons the facility will reopen.

Thank you for your understanding during these unusual times. Please ensure that you take all recommendations to mitigate your risk of exposure.

Sincerely,

Jeff Renaud  
Chief Administrative Officer
